

Akro-Tilt Carts

Versatile tipping truck for heavy-duty jobs

Tubular frame is constructed of 1.05" O.D. x 13-gauge and 1.3125" O.D. x 13-gauge wall tubes
Fully welded and reinforced frame is optimized for automatic dumper applications

Frame powder-coated for enhanced appearance and rust protection

Wheel base and heavy duty caster combination ease rollability and maneuverability even with high loads

77610, 77710, 77810 feature solid T axle for maximum durability

STANDARD COLOURS:
Red, Blue, Gray

- ▶ **VARIETY:** Multiple sizes simplifies separation of glass, paper and plastic for sorting or pick up.
- ▶ **DURABLE:** Plastic construction with a UV inhibitor to resist fading. Withstands temperatures ranging -20° to 120° F.
- ▶ **QUALITY:** Resists damage from oil and most chemicals. Engineered for rigidity and strength.

Collapsible Bulk Boxes

Heavy-Duty

Buckhorn's Heavy-Duty Bulk Boxes are rated for load capacities up to 2,500 lbs. They collapse flat in seconds and stack for storage and return shipment - optimizing space usage and saving money on returned freight. Hand-hold areas on panels provide a comfortable grip for panel movement.

- ▶ **FOOTPRINTS:** 48" x 40" and 48" x 45"
- ▶ Feature steel corner hit plates to deflect fork tines
- ▶ Three recessed steel base runners for added stacking strength
- ▶ Drop-doors and four-way forklift entry improve ergonomics and handling efficiency
- ▶ Superior durability for reliable performance
- ▶ Customization and identification options available
- ▶ Backed by a one-year limited warranty
- ▶ 100% recyclable HDPE

Maximizer

Reuse the Maximizer hundreds of times to ship and store light-duty dry goods. And then collapse it flat - in just seconds. This durable, highly versatile solution is ideal for manufacturing, plastic packaging products, lightweight components and more!

- ▶ Eliminates the need for tools, staples or nails
- ▶ Can be stored indoors or outdoors
- ▶ Two full-width doors improve access and ergonomics
- ▶ Four-way forklift entry promotes easy, flexible handling
- ▶ Superior storage space with one assembled unit storing eight collapsed boxes inside
- ▶ Units can be stacked three high for added storage space
- ▶ Backed by a one-year limited warranty

Buckhorn's Industry Standard Bulk Boxes are rated for load capacities between 1,600 and 1,800 lbs. They collapse flat in seconds and stack for storage and return shipment.

Fixed Wall and Agricultural Containers

Fixed Wall Boxes do not fold down. Instead, they are designed with rounded rims and corners, which means they are easy to keep clean. They ensure the maximum load capacity and provide protection of goods.
